Latest Updates

Updates and new features in AMM:

December 17, 2024

System Accounts Enhancements

The [Create System Account](#) screen now contains the following updates:

- The *User Type* field automatically has **System** selected.
- A new mandatory *Certificate Expiration Date* field.
- The ability to import a certificate file and copy the certificate details to the account creation form.

Welcome to Account Management Module (AMM) Online Help

This help system provides online information about the functionality of the Account Management Module (AMM) module. This topic illustrates the use of this online help system.

Help Icon in Module Leads to Online Help

Access online help by clicking the Help icon, which is a blue circle containing a white question mark, from any screen within the Account Management Module (AMM) module.

Table of Contents Pane

Use the table of contents pane at the left of a help system to navigate through topics. If a topic name has a down arrow ▼ next to it, click it to reveal subheadings.

When the browser window is narrow, the table of contents pane is hidden. To view a hidden table of contents, click the three-horizontal-line icon at right top to toggle the table of contents between onscreen and hidden.

Contacting the eRA Service Desk

Online help pages contain a link to the eRA Service Desk at top. Contact the service desk for help with error messages, system questions, and help solving problems in eRA modules. The link is located above the page title on all online help pages.

Viewing all Online Help in a PDF Version

All online help is available in PDF format. The PDF contains identical information as the online help. The PDF is linked at the top right of every online help page with a link named PDF Version.

Showing Hidden Text or Images

You might encounter dropdown text or toggled images in online help. Sometimes, to save screen space and let you focus on the information important to you, online help hides text or images behind linked text.

For instance, click the following heading to see the hidden dropdown text showing steps of a procedure:

[Creating a New File](#)

1. Click the New button.
2. Enter a name for the file.
3. Click the Save button.

Images can also be toggled. In the example below, click the words "Access the Edit action by clicking the three-dot ellipsis icon" to see the hidden image.

NAME/NUMBER ▲	TYPE ▼
GENOMICS:455555555	...
GENOMI:444444444	 Edit

Tools for Navigating Topics, Showing Hidden Material, and Printing

Click the left and right arrow icons at top right to go to the previous or next topic in the table of contents:

Click the print icon, below, to print:

Click the expand icon, below, to expand all material that is hidden in a topic.

Click the collapse icon, below, to collapse all material. The collapse icon appears only after clicking the expand icon.

Search Field

Type text into the search field to find all topics that contain matching text. Then either press the Enter key or click the magnifying glass icon to search.

If you type multiple words in the search field, the search assumes an 'AND' between each word. For example, if you search for ***system requirements***, the search does this: Find all topics that contain both ***system AND requirements***, not necessarily adjacent to each other in text. It counts variations of words as a match; for example; ***require*** or ***required*** are deemed to be matches for ***requirements***.

If you want only topics that contain an exact phrase, enclose it in double quotation marks like this:

"system requirements"

The search field searches ONLY the current help system for the Account Management Module (AMM) module. To search all help systems, go to [the eRA website](#) and use the search field at the top of the page.

Finding Related Topics

Most topics contain a Related Topics section, which show links to a list of topics that are related to the one you are viewing.

Providing Feedback on the Online Help or PDF

All topics contain a green feedback footer with an email link to the eRA Communications Office, which creates and updates online help and PDFs. The eRA Communication Office does not provide technical support but is happy to accept feedback on how we might make the online help better meet your needs.

For tech support, contact the [eRA Service Desk](#) instead of the Communication Office.

Accessing AMM

Department of State Staff

The only **User Type** available is **State**.

1. Department of State staff can access AMM at this address: <https://pub-lic.era.nih.gov/ams>.
2. The *Commons Login* screen opens.
3. Enter your **User Name** and **Password**.
4. Click the **Login** button.

Upon successful login, the *Search Accounts* screen opens.

For instructions on performing a search, see [Search Account](#).

Basics and Navigation for eRA Modules

For increased usability, eRA modules are gradually switching to a streamlined, modern, mobile-friendly look and feel for screens. The new look and the new navigation adjust dynamically for a variety of screen or font sizes, making your browsing experience more efficient on the device of your choice. New user interface elements offer a consistent set of tools that you can use across modules. A new header and footer conserve space, leaving more work area for you to accomplish your tasks.

This topic explores the new navigation and user interface elements that you might see on updated screens. All modules will eventually use the same framework for building the appearance and navigation for screens. Older style screens will co-exist with updated screens during the transition to the new look and feel. Not all screen elements shown here will appear in all modules.

Read this topic to learn about:

- Header/footer for eRA modules
- Navigation to and within modules
- Actions column and how it might be replaced by an ellipsis (three-dot) dropdown in a row
- Standard tools for tables

Header and Footer Navigation

A mixture of older and newer headers may appear throughout screens in eRA Modules. During a period of transition, you will see both older and newer style screens in eRA modules.

The new header and footer use symbols to save screen real estate and dynamically adjust to fit smaller screens.

*Figure 1: Full eRA Header with main **Apps Menu** at left, which displays module navigation, outlined*

The first icon from left is the **Apps Menu**. The **Apps Menu** shows all apps available to the currently logged-in user, shown below:

Figure 2: Expanded Apps Menu, showing all modules to which you have access

Other Icons in Header

Links to the Department of Health and Human Services.

Links to grants.nih.gov.

Links to a general eRA Service Desk Support page.

Links to eRA Points of Contact page.

The person icon shows your login information, institution, a link to change your password, email preferences, and sign out link:

Figure 3: Person icon dropdown, showing name, user ID, institution, roles, and sign out link

Dynamic Header

Below, on a narrow screen, most items on the header are hidden, but they pop down when you click the grid icon in the upper right, circled below.

Figure 4: Narrow eRA Header, which hides all banner options under a bento box icon, shown at right

Figure 5: Narrow eRA Header, which has been expanded to show all banner options after bento box icon is clicked

Redesigned Footer

The footer is clean and offers only essential information organized into columns.

Figure 6: eRA Footer

Navigating Within a Module

The module abbreviation, circled below left, lets you quickly see which module you are working in.

Figure 7: Navigation within a module, showing module name at left and module pages in navigation along top under banner

The sections of the modules are listed across the top, with the current section highlighted in gray, circled above.

To navigate to the screens available under each section, click the section name to see a dropdown that shows all screen names, as shown below.

Figure 8: Module Navigation with Dropdowns of Screen Names

If the screen size is small, all the app section names are collapsed under a three-line icon, shown below.

Figure 9: Module Navigation is collapsed when narrow, with bento box icon at right which when clicked shows all module top navigation

When clicked, the three-line icon shows all module navigation in vertical form, below.

Figure 10: Module navigation expanded, when screen is narrow and all top navigation is under bento box icon at right

Actions Column Replaced by Ellipsis Dropdown

Actions that are available for each row in a table might be displayed under a three-dot ellipsis icon instead of an **Actions** column, as shown below. This happens if there are three or more actions to be displayed. If only one action item is listed, then the column will list that action as the header and have an 'x' in the body of the column.

Application/Award ID	Grants.gov Tracking #
5K08AG050505-02	...
1R21AR020202-01A1 (MPI)	RPPR
	Human Subjects

Figure 11: Three-dot ellipsis dropdown replaces action dropdown and displays actions that can be taken on a record in a table

Standard Tools for Tables

Tables are sleeker with tools for showing the data you want to see.

Figure 12: Section of a table header showing standard table tools shown outlined

Filter Table

Entering filter text features instant filtering of the list as you type, with the number of found results updated as you type. The text you type in the filter field is highlighted in the table.

Figure 13: Filter Table Field with Number of Found Results

Selecting Rows/Bulk Action Tool

Use the bulk actions tool  to select or deselect all, and to show selected rows only or all rows. Other bulk action tools might also let you mark or clear the checkboxes of all currently visible rows (such as those found by typing filter text).

Figure 14: Bulk Actions Tool Lets you Show/Hide and Select/Unselect Rows

Check All

Check All marks all checkboxes regardless of the number of pages of records shown. In other words, if there are 10 pages of records available, with only the first page currently visible, **Check All** marks all enabled checkboxes on all pages. By contrast, **Check All Visible** marks only those enabled checkboxes on the currently visible page. See **Page Navigation** below for directions on how to navigate between pages of data.

Figure 15: Bulk select tool example

Column Picker

Click the column picker icon  to choose the visible columns in a table by selecting/deselecting their checkboxes. The column selection is only in effect until you navigate to another screen.

Figure 16: Expanded Column Picker, which lets you choose which columns are visible

Column Sorting

Click column headers to sort by that column.

Figure 17: Sort indicators in table columns

Download and Print

Use the download tool , shown below, to export table data to Excel or PDF, or to print. Data from all columns is exported/printed even if only a subset of columns are visible.

Figure 18: Download Tool lets you print or export to Excel or PDF

Rows Per Page

To help avoid scrolling, use the grid tool  to specify how many table rows appear per page.

Figure 19: Grid Tool lets you choose number of rows displayed per page

Page Navigation

Navigate to each page of search results using the following tool:

Figure 20: Navigation to move between pages of search results

Instantly scroll back to the top of the page by clicking the "Back to Top" button, which appears on selected screens that show long search results. The button is an up arrow in a yellow rectangle and appears at the bottom right of the screen, when applicable:

Figure 21: Yellow "back to top" button with up arrow in yellow rectangle, used to instantly scroll to the top of search results

Expanding Table Rows to Reveal More Details

Some tables have an indicator at the beginning of each row that more information can be viewed for the row. If you see a triangle pointing to the right at the beginning of a row, click it for more information on the record.

Figure 22: Triangle shown at beginning of table row indicates that there is hidden information for the row

The triangle turns downwards and expands the row to show additional information.

Overview

The Account Management Module (AMM) facilitates user and system account administration based on assigned user roles. The system provides the ability to search existing accounts. When a search is performed, all records that meet the search criteria are returned on the *Search Accounts* screen.

Department of State staff have the ability to search, create, maintain, and view user accounts only.

Authorized users can:

- Create new user accounts.
 - The username and password must comply with [standard eRA policy guidelines](#).
 - All temporary passwords are system generated.
- Manage existing user accounts
- Manage role(s) on user accounts
- Affiliate an account with an organization, agency, or institute/center (IC)
- Reset passwords on existing accounts
 - **NOTE:** All passwords are system-generated.

User Roles

The following users have the ability to search for, manage, and create accounts, and add or remove roles for user and system accounts:

State Department

- FACTS Department of State clearance manager (FACTS SDC MGR role)

Account Statuses

AMM user accounts can have the following statuses:

- *Active* — a valid account in good standing
- *Deactivated* — the account has been disabled by an administrator

- *Pending* — the account is pending approval
- *Pending Affiliation* — the account has not yet been associated with an organization
- *Profile Only* — a profile that is not associated with a user account

Search for State Department User Accounts

The *Search Accounts* screen for State Department users provides the ability to search for existing user accounts.

NOTE: For Department of State users, the **Search within my organization** checkbox is automatically checked and the only **User Type** is *State*.

The screenshot shows the 'Search Accounts' interface within the AMM (Account Management Module). At the top, there's a navigation bar with 'AMM | Manage Accounts | Admin'. Below this, the title 'Search Accounts' is followed by a help icon. A 'Search Criteria' section is expanded, showing a light blue note: 'NOTE! You must enter at least one search field, besides User Type and Account Status.' The search fields are organized into three rows. The first row contains 'User Type' (a dropdown menu with 'State' selected), 'Account Status' (a dropdown menu with 'All' selected), and 'User ID' (a text input field). The second row contains 'Last Name', 'First Name', and 'Middle Name', each with a text input field. The third row contains 'Countries(s)' (a text input field) and 'Email' (a text input field). Below these, there is a 'Roles' section with a help icon and a text input field. At the bottom right, there are two buttons: 'Clear' and 'Search' (with a magnifying glass icon).

Search Accounts screen for Department of State users

NOTE: You must enter at least one search field. Wildcard characters such as the percentage sign (%) can be used to search for a string of characters.

1. Enter the appropriate search criteria in at least one of the other search fields.
2. Perform one of the following options:
 - a. Click the **Search** button to execute the search.
 - i. Please refer to the [State Department User Account Search Results](#) topic.
 - b. Click the **Clear** button to clear the search criteria.

State Department User Account Search Results

When the **Search** button is clicked, the system displays appropriate user accounts in the **Search Results** located below the *Search Criteria* section on the *Search Accounts* screen. The search results are sorted alphabetically first by last name, first name in the **Name** field and then by **Account Status**.

NOTE: The **Create New Account** button does not display until performing a search.

The following columns appear in the search results:

- **User ID**
- **Name** - Last name, First name
- **Email**
- **Account Status** -
 - *Active* - The **Manage** button displays in the **Action** column.
 - *Pending Affiliation* - The **Manage** button displays in the **Action** column.
- **Roles & Affiliations** - FACTS SDC MGR ROLE only.
- **Login via Login.gov** - indicates whether two-factor authentication via Login.gov is required or optional for a user.
- **Certificate Owner** - for System Accounts only.

User ID	Name	Email	Account Status	Roles & Affiliations	Login via Login.gov	Action

Figure 24: Search Accounts Screen Displaying State Department Search Results

Working with the Search Results

1. To view the **Search Criteria**, click anywhere in the **Search Criteria** bar.
2. To filter the search results, enter a value in the **Filter Table** text field. The matching results update automatically.
 - a. Example: to view all users with the word *Ann* in the **Name** or **User ID**, type *ANN* in the filter field.

NOTE: The default number of records per page is 10.

3. To change the number of records per page, select the appropriate number in the **Show per page** column.
4. To navigate between pages, perform one of the following options:
 - a. Click the appropriate **Page Number** button.
 - b. Click the **right arrow** button to go to the end of the list.
 - c. Click the **left arrow** button to go to the beginning of the list.
5. To sort the search results, click the appropriate column heading name's **down arrow** (ascending sort) or the **up arrow** (descending sort). The default sort is by **Name** (Last Name, First Name).
6. If displayed, click the **Read More** hyperlink in the **Roles and Affiliations** column to view a Principal Investigator's (PI) multiple affiliations.
7. Actions Options
8. To return to the top of the screen, click the **Back to top** hyperlink.

Action Options

- **Create Account**
 - Click the **Create New Account** button and select **Create State Account** from the dropdown.

Two-Factor Authentication

- **Login via 2FA** — Shows the status of Login.gov for this account: *Required*, *Optional*, or *Exemption*. This field is set automatically at the organization level.
- **2FA Exemption Expiration Date** — When **Login via 2FA** is set to **Exemption**, this field displays the exemption end date. The user can login using eRA credentials until this date.

NOTE: 2FA exemptions are only granted on a limited basis by the eRA Service Desk and only the eRA Service Desk can modify exemption expiration date.

- **2FA Mapping Completion Status** — Indicates whether the user's account is *Mapped* or *Not Mapped* for 2FA.

Reactivate/Approve to Unlock Account

IMPORTANT: The Reactivate/Unlock Account feature is not currently available to Commons Account Coordinators.

NOTE: Users with the Account Administrator (AA) role can reactivate accounts that have been deactivated by an administrator or automatically locked due to inactivity.

On the *Search Results* or *Account Details* screens, click **Manage** to open the *Manage Account* screen. If an account is deactivated, a **Reactivate** button  displays at the bottom of the *Manage Account* screen. Click this button to proceed.

The screenshot shows the 'Manage Account' screen. At the top, there's a 'Contact Information' section with fields for 'Last Name *' (Moody), 'First Name *' (Alastor), and 'Middle Name'. Below these are 'Email *' (eRAStage@mail.nih.gov) and 'Confirm Email *' (eRAStage@mail.nih.gov). There's a 'Roles' section with a '+ Add Countries' button. At the bottom right, there are four buttons: 'Close', 'Reset Password', 'Reactivate' (highlighted with a red box), and 'Save'.

Figure 28: Reactivate button at the bottom of the Manage Account screen

2.a If an account is locked due to 120 days inactivity, an **Approve for Unlock** button displays at the bottom of the *Manage Account* screen. Click this button to proceed.

The screenshot shows the bottom of the 'Manage Account' screen. There are three buttons: 'Back to Search', 'Approve for Unlock' (highlighted with a red box), and 'Deactivate Account'.

Figure 29: Approve for Unlock button at the bottom of the Manage Account screen

When you click the **Approve for Unlock** button (for accounts locked due to inactivity), a popup loads where comments are mandatory.

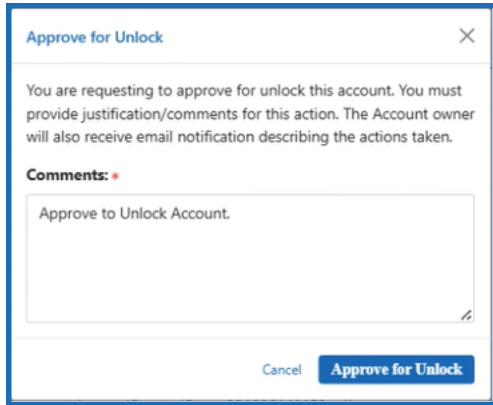

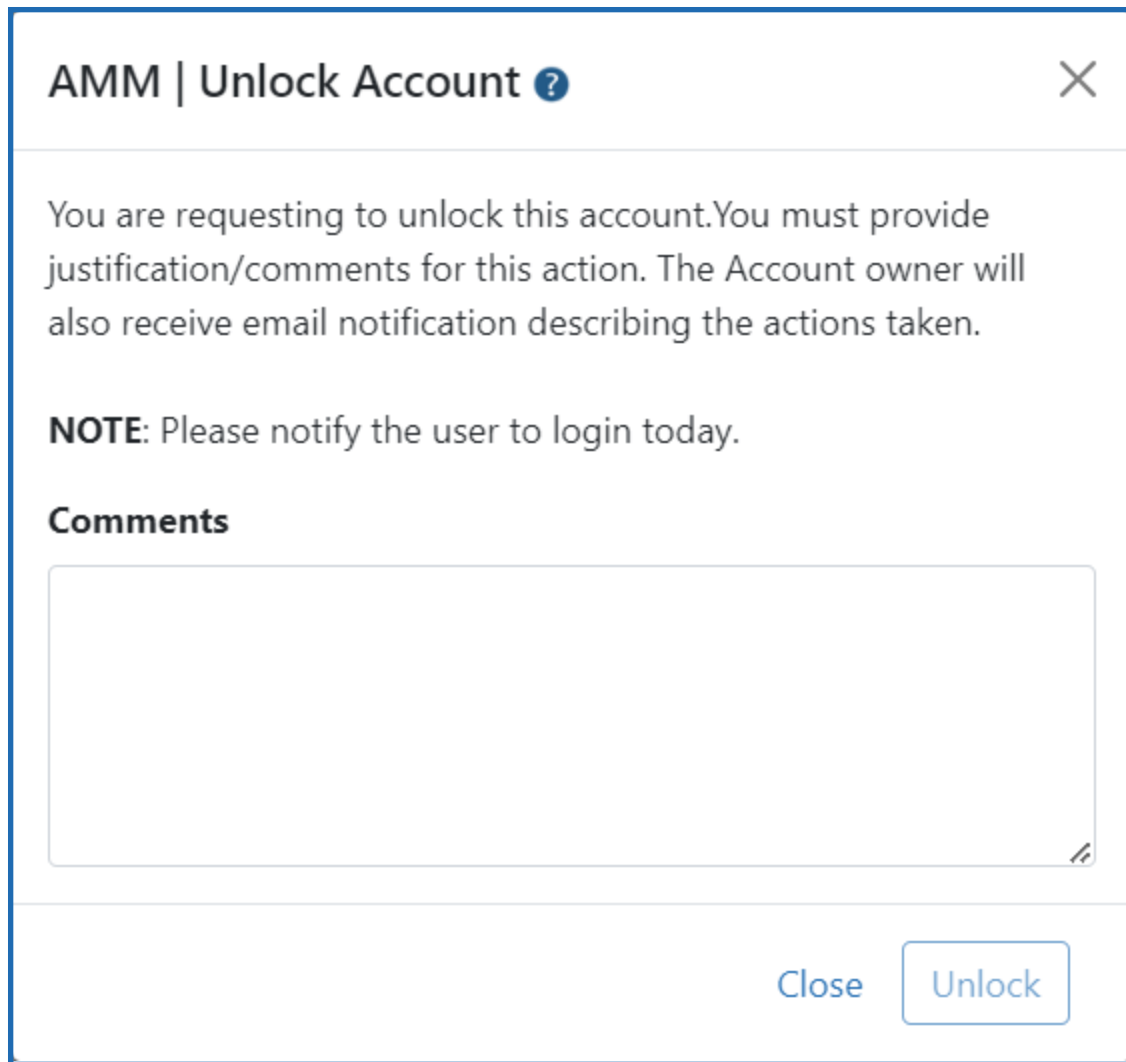

A screenshot of a web-based popup form titled "Approve for Unlock" with a close button (X) in the top right corner. The form contains a message: "You are requesting to approve for unlock this account. You must provide justification/comments for this action. The Account owner will also receive email notification describing the actions taken." Below this is a section labeled "Comments: *" with a red asterisk indicating it is required. Underneath is a large text input area containing the placeholder text "Approve to Unlock Account." and a small icon of a pencil in the bottom right corner. At the bottom of the form are two buttons: a "Cancel" button and an "Approve for Unlock" button.

Figure 30: Popup when clicked Approve for Unlock

When you click **Reactivate** or **Unlock (for accounts locked due to NED Changes)**, the *Reactivate Account* or *Unlock Account* screen opens.

The screenshot shows a dialog box titled "AMM | Unlock Account" with a question mark icon. The main text states: "You are requesting to unlock this account. You must provide justification/comments for this action. The Account owner will also receive email notification describing the actions taken." Below this is a "NOTE: Please notify the user to login today." A section labeled "Comments" contains a large text input field. At the bottom right, there are two buttons: "Close" and "Unlock".

Figure 31: Unlock Account screen

Enter comments in the comments field to inform the user about this action (required). Click **Reactivate** or **Unlock** to reactivate/unlock the account, or click Close to cancel.

- a. Enter comments in the comments field to inform the user about this action (required).
- b. Click **Reactivate** or **Unlock** to reactivate/unlock the account, or click **Close** to cancel.

5. When you click **Reactivate** or **Unlock**, the system reactivates/unlocks the account and displays a confirmation message.
6. The account owner receives an email notification that includes the text you enter in the **Comments** field.

NOTE: The unlock notification asks the user to login to the account that same day. If the user does not login before the end of the day, the account is locked again.

NOTE: For instructions on deactivating an account, see Deactivate Account.

Add/Delete Countries

Agency-Specific Instructions: This functionality is for State Department users only.

1. To add a country to the account, click on the **+ Add Countries** button on the *Create Accounts* screen.

Figure 32: Add Countries Button

Clicking the **+ Add Countries** button displays the popup *Add Countries* screen.

AMM | Add Countries

Role

FACTS_SDC_MGR_ROLE

Countries

- AFGHANISTAN
- ALBANIA
- ALGERIA
- ANDORRA
- ANGOLA
- ANGUILLA
- ANTARCTICA
- ANTIGUA/BARBUD
- ARMENIA
- ARGENTINA

Close Add Countries

Figure 33: Add Countries Screen

2. To find a country, click in the list of countries and type the first letter of the country's name.
 - a. For example, to find the United Kingdom hit the **<U>** key on the keyboard.
3. Highlight the appropriate country name.

When a country name is highlighted, the **Add Countries** button is enabled.

4. Perform one of the following options:
 - a. Click the **Close** button to close the screen.
 - b. Click the **Add Countries** button to add the selected country.

Clicking the **Add Countries** button adds the selected country to the *Roles* section on the *Create Account* or *Manage Account* screen.

Figure 34: Roles/Add Countries Section on the Create Account Screen

5. To add another country, click the **+ Add Countries** button. Repeat the steps above.
6. To remove a country, click the **X Remove** button.
7. To remove all countries, click the **X Remove All** button.

Annual Recertification for IMPAC II User Accounts

This screen opens when you select **Annual Recertification for State Accounts** from the [Admin](#) dropdown.

eRA Service Desk agents, Account Admins and IC Account Coordinators use this screen to review all the all non-deactivated user accounts in their ICs, including application and DB accounts. After reviewing the accounts, IC Coordinators make all necessary updates and changes and then recertify them.

This screen shows accounts at the IC that were created on or before the Recertification Period Start Date and are not deactivated. (status 1, 3, 4 & 5). AMM shows you only the accounts that you are responsible for based on the type of Admin you are.

A banner at the top of the screen shows the number of accounts that are pending review, if applicable.

AMM | Manage Accounts Admin

Annual Recertification

All locked accounts need to either be unlocked or deactivated before the annual recertification can be completed. If there are Accounts without Mapped User IDs, please contact the Service Desk to update the Account. There are 302 accounts Pending Review.

Export To Excel Mark As Reviewed Recertify all Accounts and Associated Roles

Figure 36: Annual Recertification for IMPAC II Accounts screen with the Filter Accounts pane expanded

- Click the **Export To Excel** button to download an spreadsheet of the account review data.
- Show/Hide Columns** — Click to select the columns to show in the table.
- View Roles** — In addition to the on-screen information, you can click the **View Roles** hyperlink to open a [View Roles](#) popup and review the account's user roles.

Review and Update Accounts and Roles

- Review information for all accounts and associated roles.
- If necessary, click the **Manage** action for an account to make updates and changes in the Manage Account screen, which will open in a new tab.
- Check when Reviewed** — Click the checkboxes in the Review Status column when you finish reviewing accounts.
- Mark As Reviewed** — Click to mark all displayed accounts as reviewed in bulk (accounts that are hidden by the filters will not be marked as reviewed). A confirmation popup verifies that you wish to review all accounts. Click **Continue** to proceed.

Figure 37: Mark As Reviewed button

IMPORTANT: All locked accounts need to either be unlocked or deactivated before the annual recertification can be completed. If there are Accounts without Mapped User IDs, please contact the Service Desk to update the Account.

NOTE: As an Account Coordinator, you cannot mark your own account as reviewed. Another Account Admin will have to Review and make any changes to your account and mark it as reviewed.

- The *Reviewed* by name and date in the *Review Status* column will be updated if the account is updated via the Manage Account screen after the *Check when Reviewed* box is checked.

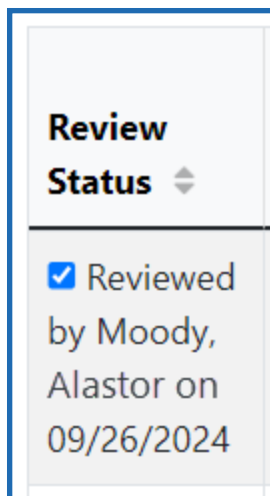

Figure 38: Review Status column showing a selected checkbox and "Reviewed by" with the name and date of the review completion.

- If account info is updated in NED after an account is reviewed, Account Coordinators have to re-review the account and check the Reviewed Checkbox.
- When all accounts in the IC have been reviewed, a banner at the top of the screen notifies you.

Figure 39: Accounts reviewed banner

NOTE: You still must click **Recertify All Accounts and Associated Roles** to complete the recertification process.

Recertify Accounts

- After reviewing all accounts, click the **Recertify All Accounts and Associated Roles** button recertify all accounts.

Figure 40: Recertify all Accounts and Associated Roles button

- A green success banner displays, with a blue banner indicating the date of completion and the IC you have recertified.

Figure 41: Blue Annual Recertification Completed banner and Green Recertification success banner

- After you successfully recertify accounts, AMM sends you a confirmation email that includes a link you can click to see a list of the accounts you recertified.
- AMM will deactivate accounts that are locked due to 120 days of inactivity and not recertified or logged-in within 30 days after the annual recertification.

Admin Tools

account coordinators click the **Admin** tab to access the following account administration tools:

- [Annual Recertification for State Accounts](#)
Review and Recertify State Dept user application and database accounts

Reactivate/Approve to Unlock Account

IMPORTANT: The Reactivate/Unlock Account feature is not currently available to Commons Account Coordinators.

NOTE: Users with the Account Administrator (AA) role can reactivate accounts that have been deactivated by an administrator or automatically locked due to inactivity.

On the *Search Results* or *Account Details* screens, click **Manage** to open the *Manage Account* screen. If an account is deactivated, a **Reactivate** button  displays at the bottom of the *Manage Account* screen. Click this button to proceed.

A screenshot of the 'Manage Account' screen. It features a 'Contact Information' section with fields for 'Last Name' (Moody), 'First Name' (Alastor), and 'Middle Name'. Below these are 'Email' and 'Confirm Email' fields, both containing 'eRAsStage@mail.nih.gov'. A 'Roles' section includes a '+ Add Countries' button. At the bottom right, there are four buttons: 'Close', 'Reset Password', 'Reactivate' (highlighted with a red box), and 'Save'.

Figure 42: Reactivate button at the bottom of the Manage Account screen

2.a If an account is locked due to 120 days inactivity, an **Approve for Unlock** button displays at the bottom of the *Manage Account* screen. Click this button to proceed.

Figure 43: Approve for Unlock button at the bottom of the Manage Account screen

When you click the **Approve for Unlock** button (for accounts locked due to inactivity), a popup loads where comments are mandatory.

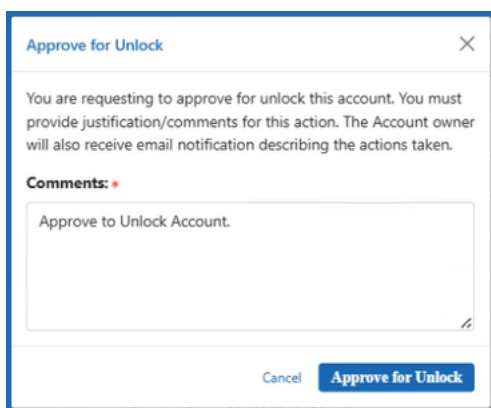

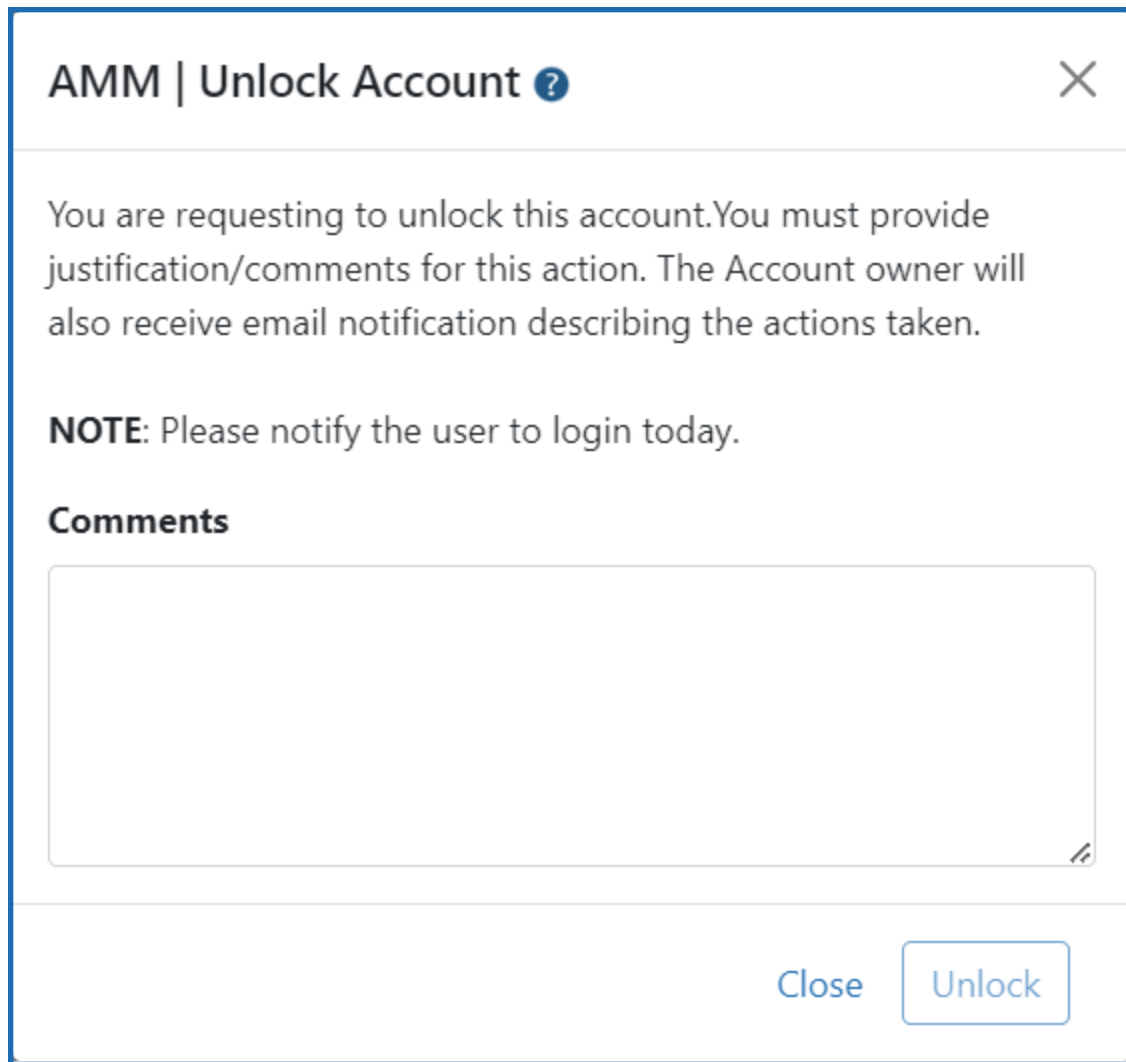

Figure 44: Popup when clicked Approve for Unlock

When you click **Reactivate** or **Unlock (for accounts locked due to NED Changes)**, the *Reactivate Account* or *Unlock Account* screen opens.

AMM | Unlock Account ? ✕

You are requesting to unlock this account. You must provide justification/comments for this action. The Account owner will also receive email notification describing the actions taken.

NOTE: Please notify the user to login today.

Comments

Close Unlock

Figure 45: Unlock Account screen

Enter comments in the comments field to inform the user about this action (required). Click **Reactivate** or **Unlock** to reactivate/unlock the account, or click Close to cancel.

- a. Enter comments in the comments field to inform the user about this action (required).
- b. Click **Reactivate** or **Unlock** to reactivate/unlock the account, or click **Close** to cancel.

5. When you click **Reactivate** or **Unlock**, the system reactivates/unlocks the account and displays a confirmation message.
6. The account owner receives an email notification that includes the text you enter in the **Comments** field.

NOTE: The unlock notification asks the user to login to the account that same day. If the user does not login before the end of the day, the account is locked again.

NOTE: For instructions on deactivating an account, see Deactivate Account.

User Reports

AMM includes the following user report capabilities:

- **All Users Report** — Information on all user accounts in your organization.

To open the reporting functions, click the **AMM User Reports** tab.

The *All Users Report* screen opens. There are two versions of this screen, as shown below. The version you see depends on the organization you belong to.

TIP: To select multiple organizations, roles, or business areas, hold your **ctrl** key as you click.

Navigating Report Outputs

These tips for browsing, filtering and exporting the report output apply to all report types. Report output displays include several control options:

Report output controls

- To filter the report, start typing in the **Filter** field. Only rows that contain your entered text display, and all instances of your filter text are highlighted in yellow:

Search Results

× 3 Results (filtered from 425)

User ID ^	Alias User ID ⇅
AABLE	AABLE
AABLE	AABLE
AABLE	AABLE

Filter results

- To adjust the number of records displayed, select a number in the **Show per page** dropdown.
- To navigate the report pages, click a **Page Number** or use the left and right arrow buttons.
- To re-sort the report columns in ascending or descending order, click the up/down arrows in the column headers.
- To export the report output as an Excel spreadsheet or PDF, click the appropriate **Export** button:

Export button

- **Excel** — When you click this button, an open-or-save dialog opens.
 - Click **Open** to open the report data in Excel; a new Excel window opens. Click the **Enable Editing** button in the yellow bar at the top of the worksheet to work with the data.

Open-or-save dialog

- **PDF** — Click this button to save the report as a PDF file. A save dialog opens; choose a location and save the file.
